

HANCOCK

WILL PURCHASE A SITE
FOR A JEWISH CEMETERY

Hancock Hebrews at Meeting Held Yesterday in Oddfellows Hall. Appointment Committee to Select Suitable Location for a Jewish Burial Ground Conveniently Situated for Hancock and Houghton.

A meeting of Jewish residents of Hancock and Houghton was held yesterday afternoon at the Odd Fellows hall in Hancock, at which it was decided to purchase a site for a burial ground, and a committee composed of Herman Stark and H. Phinsten was chosen to have the matter of selecting a suitable location in charge.

It has been customary for local Jewish residents to send their dead to outside points for interment, there being no cemetery under the superintendence of those of that faith in the copper country, except the one at Calumet, which on account of the nature of the ground is not favored. It is said, as a place of burial by the Jewish residents of those who live here are sent to Marquette, Milwaukee or other places.

The committee will look about immediately to find a suitable location for the burial ground, and will make inquiries of various local real estate dealers with a view to ascertaining where there are properties that are available. It is hoped to secure several acres that will be readily accessible from Hancock and Houghton and from other parts of the county, either to the west or east of the city. When the grounds are purchased and laid out a few whose bodies are interred in the local cemetery will probably be taken up and removed to the Jewish cemetery.

The proposition of erecting a synagogue was also discussed but nothing was done in regard to the matter. It being regarded by the majority of those present at the meeting as more imperative that a cemetery should be provided first. It was argued that there is no immediate need of a church as various halls are available for the holding of meetings, while the necessity of a burial ground, it is claimed, is one requiring immediate attention.

NEW P. O. ON SOUTH RANGE.

Supplies have been received at the Hancock postoffice from the postoffice department at Washington for the new postoffice at Onelia, on the South Range, that was recently established, and it is expected that the office will shortly open for business. The new route in West Hancock which was inaugurated last Friday is now getting regular deliveries, so far as is possible, and in time when those entitled to receive mail by carrier in that section have made the fact known to the post office, the service will be gradually extended. Blankets are furnished on call to write the names of those in each house whose mail is to be delivered and it will be only a short time before everything in connection with the new route is working smoothly.

MANY HUNTING PARTRIDGES.

Many local people are enjoying the sport of partridge hunting the season for which opened on Friday last, and several parties who went into the woods Saturday and returned this morning report good luck. A party composed of Paul Tice, Dr. Ferris, Ira E. Randall and Mort Sullivan of Houghton went to Baraga county, and report the birds very plentiful in that section.

AFTER
FOUR YEARS
OF MISERY

Cured by Lydia E. Pinkham's Vegetable Compound

Baltimore, Md.—"For four years my life was a misery to me. I suffered from irregularities, terrible dragging sensations, extreme nervousness, and that all gone feeling in my stomach. I had given up hope of ever being well when I began to take Lydia E. Pinkham's Vegetable Compound. Then I felt as though new life had been given me, and I am recommending it to all my friends."—Mrs. W. S. FORD, 1938 Lansdowne St., Baltimore, Md.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It has stood the test of years and today is more widely and successfully used than any other female remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, and nervous prostration, after all other means had failed.

If you are suffering from any of these ailments, don't give up hope until you have given Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice write to Mrs. Pinkham, Lynn, Mass., for it. She has guided thousands to health, free of charge.

PLANS WRESTLING TOURNEY
SOMETIME IN NOVEMBER

Announcement was made at Germania hall after the conclusion of the wrestling contest Saturday night between Karl Lehto and Paul Arthur of the South Range, that arrangements are under way for holding a big wrestling tournament in Hancock early next month. The tournament will be for catch-as-catch-can wrestlers, and will probably be held in the Kerridge theater. Copper country supporters of the game are interested in the project and already a considerable sum has been subscribed towards making up purses that will be large enough to induce wrestlers of prominence to enter. Lehto, the winner of Saturday night's match, will compete, and such a tournament would give him a chance to demonstrate what he can do in catch-as-catch-can, which is his usual style, he having only recently tried Cornish wrestling, the match on July 4 in Hancock, in which he took third prize, having been the first time that he has entered in contests of this description. The promoters are in communication with a number of well known wrestlers and it is expected that one of the biggest tournaments ever held in this city will be the result.

Lehto defeated Arthur Saturday night, in a Cornish wrestling match at Germania hall, for \$50 a side and the gate money. Lehto made up in strength what he lacked in skill in the Cornish style of wrestling, and this gave him the victory over Arthur, the latter being almost fagged out at the end of the match. There were forty-five hitches altogether. Arthur won the first fall after seventeen hitches. Lehto took the second and third falls in five and seven hitches respectively. Then after fifteen hitches Arthur again threw Lehto, making a fifth fall necessary. The last was the hardest of the five and the men went at each other fiercely. In the fifth hitch, however, Lehto threw Arthur with a "flying mare" hitch, ending the match.

There was an exhibition preliminary match in catch-as-catch-can style between K. Wirtanen and J. Gronlund. Captain John Mitchell refereed the contests and the sticklers were John Dyer and J. Kangas.

MCGLYNN BOND DIFFICULTY
WILL BE SETTLED TONIGHT

At the regular meeting of the common council tonight it is expected that the difficulty that has arisen relative to the continuance of the bond of James McGlynn, the contractor, who is building the retaining walls and making the fill at the front street ravine, will be satisfactorily settled. It is understood that a communication has been received from the company furnishing the bond for the performance of the work in which they agree to waive the question of the city's failure to make payments as specified in the contract and to continue the bond in force, provided that an extension of time is granted to December 1, 1910. It is probable that the contractor will apply for such extension this evening and that it will be granted by the council.

METHODIST MINISTERS MEET.

Annual Meeting of Copper Country Association in Hancock Today. The Copper Country Methodist association is holding its annual meeting today in this city, with sessions at the Methodist Episcopal church. At this meeting the officers for the ensuing year are to be chosen, and other business transacted. This will probably be the last meeting at which several of the present pastors will be present, as they will leave this week for their new charges to which they were appointed at the last conference held last month in Detroit. Rev. R. L. Hewson of Painesdale read a paper on "Modern Hindrances to the Gospel." At the session this morning, which was followed by a general discussion, luncheon was served at noon at the Scott hotel, the hosts being Revs. H. C. Shaw of Lake Linden, W. M. Ward of Laurium and W. E. Marvin of Hancock.

The following officers were elected at the meeting held this morning: President, Rev. Herbert C. Shaw of Lake Linden; vice president, Rev. J. H. McCune of Tamarack; secretary and treasurer, Rev. Frank Waters of Atlantic; program committee, Rev. H. C. Shaw, Rev. W. E. Marvin of Hancock, and Rev. E. Sedgewick of Calumet.

The feature of the meeting was the reception for the four new copper country pastors, Rev. W. C. Prout of Hurontown; Rev. A. B. Sutcliffe of Houghton; Rev. W. Keast of Dollar Bay, and Rev. W. B. Smith of Trimountain.

"ARMY VS. NAVY" FOOTBALL.

The Houghton light infantry has accepted the challenge of the Hancock naval reserves for a football match at Ripley park on Thanksgiving day, and the teams will be selected at once. The Hancock eleven will probably be chosen at the regular weekly meeting of the naval reserves athletic association and practice will commence next week. A parade of the two teams accompanied by the light infantry bugle corps and the reserves drum and fife corps will be held before the game, and it is expected that the contest will draw a large crowd.

QUINCY RESIDENT DEAD.

Patrick Cashion Expires at Hospital After Long Illness.

Patrick Cashion, aged 66, a well-known resident of the Quincy locality, died Saturday evening at St. Joseph's hospital after a prolonged illness from tuberculosis of one of the

bones of his right leg. Mr. Cashion was a native of Ireland, and had been a resident of the copper country for forty years, coming to the United States when a youth. He is survived by two sons, William and Edward, and two daughters, Mrs. Theodore H. Miller of Oshkosh, Wis., and Ella both.

The funeral services will be conducted tomorrow morning at 9:00 o'clock from the St. Patrick's church, with interment at the old Hancock Catholic cemetery.

SCHOOL OPENED TODAY.

The St. Joseph's school opened today with a large attendance in all departments. The final scrubbing of floors, cleaning of windows, etc., was finished on Saturday and the grounds were raked and leveled and put in fairly good shape for the opening. A feature of the new school is its excellent kindergarten department, which is equipped in the most approved style, with all the paraphernalia found in the best schools of this kind.

AN INTERESTING ADDRESS.

The address on the life of General Charles George, the famous English officer who lost his life in the defense of Khartoum in the Sudan twenty-five years ago, given by Rev. J. S. Gould at the Hancock Congregational church yesterday, was heard by a large congregation and much enjoyed. The Christian character and high moral courage, as well as the physical bravery of Gordon were described and from them were drawn lessons applicable to the affairs of daily life.

HANCOCK BREVITIES.

Elmer Aris, son of Mr. and Mrs. John Aris, is seriously ill at the home of his parents on Hancock street. The Holly Rebekah lodge will give a dancing party next Thursday evening at the Germania hall, with music by the Quincey band.

A false alarm of fire was turned in about 7 o'clock last evening from box 45, located near the foot of Reservation street. The department turned out and went as far as the Exley blacksmith shop, but found no signs of any fire.

Dr. W. H. Dodge and his bride, formerly Miss Elsie Goodsole, returned yesterday from a two months' wedding tour of Europe, in which they visited all the large cities and points of interest.

Announcement is made of the forthcoming marriage of William Melrose, Jr., and Miss Louise Schilling, both well known young people of this city. The wedding will take place on October 20, at the Germania Lutheran church, with Rev. G. Traub officiating. Joseph Hillstrom has sold through the W. Frank James agency lot 12 of the Highland subdivision to John Hukula. The James agency has also purchased from Mrs. Diadem Mason lot 2 of block of Anthony's addition.

The funeral of Mr. and Mrs. Ivor Lindgren of Selo, whose death occurred yesterday, was held this afternoon from the West Hancock Finnish church, with services conducted by Rev. John Back and interment in the Lakeside cemetery.

The navy department has assigned two large racing boats and a steam cutter for the use of the Wisconsin naval reserves, according to a letter received recently by Commander Theodore Werner of Ashland. Additional uniforms for the brigade will be sent to Wisconsin also, in a short time. Miss Phoebe Kerredge went to L'Anse aux Pins to attend the funeral of Miss Katie M. Kent, who died Thursday at Marquette. The deceased was a cousin of William Kerredge.

Michael Carrigan today assumed his duties as cashier of the Portage Coal and Dock company's office in Hancock, succeeding Charles F. McAskill, who left yesterday afternoon for Indianapolis to become secretary and treasurer of the National Coning Machinery company.

John Stack went to Negaunee yesterday to play with the baseball team of that city in the match against Ishpeming.

Miss Mae Ruppe, John Tamblin and other state university students residing in this city, have left for Ann Arbor to resume their studies, these being the last to go of the large number that spent the vacations at their homes in this city.

The Hancock lodge of the Modern Brotherhood of America will give a card party on the evening of Monday, October 18 at Rouleau hall.

A regular meeting of the common council will be held this evening, at which it is expected that bids will be opened for the construction of concrete sidewalks throughout the city, and also for providing the city with a thousand feet of fire hose, for which the city recently advertised.

Miss Annette Francis, daughter of Alderman and Mrs. Fred Francis, has left for St. Louis to enter the convent of the Sisters of St. Joseph as a novice.

A cigar store will be opened about Oct. 15 in the store occupied by the Fisher cloth business, which is now being closed out. The Laguna Ice Cigar company has taken a lease on the store and will conduct an exclusive cigar business, wholesale and retail. Manager Gramos is now in the city making arrangements for the opening.

***** KEARSARGE AND WOLVERINE. *****

The Wolverine Junior baseball team was defeated yesterday afternoon by Centennial Heights by a score of 25 to 7. The hitting of the visitors

was a feature of the game; this, accompanied by errors by the locals accounts for the large score. Nipa and Koskela wear the Centennial Heights battery with Houghton, Paulson and Tremberth for Wolverine.

Thomas Roache of Kearsarge will leave Saturday for Arizona.

The Kearsarge Cricket club is planning to give a concert soon at the Kearsarge Forester's hall. An interesting program is being arranged.

Thomas and William Currow of Kearsarge, will leave early this week for Grass Valley, Cal.

Mr. May and Mr. Lewarno have returned from Bisbee, Ariz.

A brick addition is being built to the Kearsarge Finnish Workmen's Co-operative building.

Miss Ada Polkinghorne left recently for the Marquette Normal.

S. L. Phillips is now comfortably located in his remodeled place of business. His store has been enlarged by a fifty-foot addition to the rear and new window fronts have been put in.

A large crowd took in the opening of the roller skating season at the Amphitheatre Saturday evening. The performance of Hector DeSylvia was very pleasing.

HOUGHTON BREVITIES.

F. J. Voith has returned from Chicago where he accompanied his daughter, Miss Beatrice, who goes to Washington, D. C., to college.

Miss Anna Haukey has returned to Ann Arbor to resume her studies at the state university.

S. L. Phillips is now comfortably located in his remodeled place of business. His store has been enlarged by a fifty-foot addition to the rear and new window fronts have been put in.

A large crowd took in the opening of the roller skating season at the Amphitheatre Saturday evening. The performance of Hector DeSylvia was very pleasing.

KANSAS CARNIVAL OPENS.

Kansas City, Oct. 4.—Thousands of visitors are in the city for the annual Fiesta of Pallas carnival. An elaborate program has been prepared for the week's festivities. In addition to the usual carnival parade and ball there will be an automobile parade and a number of other new attractions. The entire business section of the city is bedecked in a magnificent rainment of flaming colors.

PLANS FOR ALARM SYSTEM.

Consulting Engineer F. N. Bossen of Calumet, who prepared the plans for the underground conduit system for the telephone and telegraph wires in this city, conferred with Chief Mitchell of the fire department yesterday in relation to the disposal of the fire alarm wires. These will not be placed in the conduits, but will be placed in Hancock and Franklin streets, on the poles which will be left there. It will only be necessary to remove the wires in the section lying between Reservation street and Mesnard street, where there is asphalt pavement, the wires to the west of Mesnard street having been transferred a couple of years ago, when the matter of removing the poles was first agitated. While the transfer is being made temporary wires of iron will be strung, so as not to interfere with the service while the improvement is being effected, after which the regular copper wires will be used as at present.

HORSE RUNS AWAY.

A livery team that was left standing at the corner of Reservation and Front streets this morning took flight at a passing street car and ran away. The buggy was dashed against a wall on standing near the Elks' temple, and a wheel was taken off the former vehicle. The horse then started off at a rapid pace and when last seen was making towards Lake Linden dragging the buggy on three wheels. No one was in the buggy when the horse started to run away, the driver, Frank White, having stepped out to superintend some work in connection with the Hancock street bitulithic paving job.
